* = This product is manufactured on equipment where peanut and/or treenut containing products are processed.

○ = Does not contain the allergen but is prepared on shared equipment at the restaurant, however, each restaurant takes special precautions to prevent cross-contact.

• = Contains ingredient

All menu items are prepared in our restaurant kitchens where dairy, eggs, wheat, soy, peanuts, nuts, seeds and fish are present.

The Food Allergen Labeling and Consumer Protection Act (FALCPA) identifies eight major allergens: dairy, egg, wheat, soy, peanuts, tree nuts, fish and shellfish. These foods account for about 90 percent of all food allergies in the United States and are noted on our allergen chart. MSG (monosodium glutamate) is not one of the Top 8 allergens; however, for your convenience we have it included.

Some menu items may not be available in all Schlotsky's restaurants. The information provided is effective as of March 2021. Variations may occur at the local restaurant due to preparation at the restaurant, season of the year, use of an alternate supplier, ingredient substitutions, and variances in product assembly and/or recipe revisions.

Schlotsky's, and its franchisees and employees do not assume responsibility for a particular sensitivity or allergy to any food product provided by Schlotsky's restaurants. Furthermore, we cannot guarantee the prevention of cross-contact of any ingredient present in our restaurants including but not limited to dairy, wheat, soy, peanuts, tree nuts, seeds, fish and shellfish. The nutritional, allergen and ingredient information is obtained through one or more of the following sources: (1) Genesis R&D Product Development and Labeling Software, version 9.9 which includes the USDA database; and (2) Approved food product suppliers and manufacturers for the Schlotsky's™ restaurant system. Information based on standard recipe specifications.
